**Note:** Coordinate values shown hereon are provided for convenience and comparative analysis. These coordinates are not intended to be used in lieu of independent survey measurements. End users of the City's benchmark system should check into multiple benchmarks in order to reduce or eliminate human or computer error. Benchmarks are public property and protected by law. Updates, adjustments, additions, or removals to the City's benchmark system will be published via the internet. All end users should check for revisions and/or updates prior to commencing work on any project. Email [pwengineering@bcnv.org](mailto:pwengineering@bcnv.org) to report incorrect benchmark information or benchmarks which have been found to be missing or disturbed.

**All data collected in:** Coordinate system: United States/State Plane 1983, Nevada East 2701, and US Feet (Datum: NAVD 88)
